

Shadowplay

The Shadowplay putter has slightly understable flight characteristics. It is therefore extremely straightforward over medium and short distances. Only over 50 meters does it make a smooth right turn. Precise short game for example in the forest is their strength. The rounded edge is pleasant to grip and lies comfortably in the hand. Grip grooves in the edge give it an additional better feel.

Price: Beginner = 4,95 Euro, Maximum = 7,20 Euro, Platinum = 7,95 Euro

Credo

Credo is an overstable Putter. If you throw it fast, it flies straight and has a moderate fade. The slower you throw, the more fade the disc gets. Being an overstable putter, the Credo will especially serve you well in headwind and comes in handy for approaches too! Available in Advanced plastic.

Price: Beginner = 4,95 Euro

Lucky

Lucky is an understable midrange disc. The lower rim makes it perfect in smaller hands, especially for women or kids. The smooth flightpath gives you a straight approach and high accuracy. Extra durable and grippy soft plastic will make you love it. Available in Advanced (140 g), Maximum and Platinum plastic.

Price: Beginner = 4,95 Euro, Maximum = 7,20 Euro, Platinum = 7,95 Euro

Vigil

The Vigil is an understable driver in grippy and extra durable plastic. It's understable pathflight makes the disc hot for beginner! Unique in the market is its diameter of 21.7 cm. The disc has a flat profile and a good fade at the end of the flightpath. The Pipeline will force to one of the most popular driver disc. Unique is the new inner circl rim. Available in Advanced, Maximum and Platinum plastic.

Price: Maximum = 7,20 Euro, Platinum = 7,95 Euro
